

REMARKS

Claims 2, 5-14, 16, 17, 19, 20, 23-25, 27-48, 50-54, and 56-70 are pending in the application. By this paper, claims 50, 52, 53, and 56 are amended under 37 C.F.R. § 1.312 and MPEP § 714.16 to correct a typographical error. Specifically, claims 50, 52, 53, and 56 are amended to depend from claim 70 instead of claim 69.

Applicants' representatives thank the Examiner for the courtesies extended during the telephone interview of July 16, 2009 with Michael P. Doerr on behalf of Applicants and Examiner Dwain M. Craig on behalf of the United States Patent and Trademark Office. The above amendments to claims 50, 52, 53, and 56 were discussed. The Examiner agreed that the above amendments to claims 50, 52, 53, and 56 would be entered after entry of the notice of allowance and payment of the issue fee.

CONCLUSION

It is believed that the present Amendment under 37 C.F.R. § 1.312 and MPEP § 714.16 should be entered and that the application remains in condition for issuance. If the Examiner believes that personal communication will expedite prosecution of this application, the Examiner is invited to telephone the undersigned at (248) 641-1600.

Respectfully submitted,

Dated: July 17, 2009
